

REMARKS

Please calculate claim fees after entry of the present amendment. Amendments referenced herein are in relation to the English translation of the specification that is filed concurrently herewith. Applicant has amended the specification to include appropriate section headings and to provide an abstract of the application. Applicant has further amended the specification at page 3 to correct spelling errors therein and at page 4 to clarify that the ethoxylated and sulfated fatty alcohols described therein comprise 12 to 14 carbon atoms. Applicant has amended claims 1 and 3-9 to place these claims in proper form for examination and has cancelled claim 2. Applicant has also added claims 10-20 and respectfully submits that these claims are supported by the specification. Applicant respectfully submits that these amendments do not incorporate new matter into the application. Applicant, therefore, respectfully requests entry of these amendments.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.

Respectfully submitted,
